

CAMP CASEY FEE

The total cost per student to attend Camp Casey for the two days is \$265. Our PTA & PTO groups have donated \$50 of the cost for every student. This generous donation reduced the per student payment to attend camp to **\$215**. As a reminder, students who qualify for free or reduced price meals are not required to pay for tuition.

Please make your payment on or before March 15, 2024. We encourage families to pay online with debit or credit for an easy experience. Physical checks can also be written, and should be payable to your **child's school**.

To make an online payment:

- Log on to the district home page at <http://www.tahomasd.us>
- From the Families menu, select Online Payments
- To Log in: User Name and Password are the same as your Skyward Family Access credentials
- **NOTE:** Online payment password is case sensitive and needs to be entered exactly as it was set up in Skyward.
- Skyward password changes take 24 hours to become effective for the online payment system.
- If you need your Skyward Family Access credentials, please check with your student(s) school office
- Select your student's name and then select "Items at the student's school". Click on "Camp Casey"
- Click "BUY" to add the CAMP CASEY item to your cart. If you would like to make an additional donation, update the amount on the CAMP CASEY DONATION item then click "BUY" to add it to your cart. Click "Check out" in the upper right corner to access your cart and follow the check-out process.

If your family does not qualify for free/reduced-price meals and you need financial assistance, please contact your school counselor.
